Dear Neighbor:

We five members of the Newark City Council urge you to support **Larrie W. Stalks** for Register and **Anthony Carrino** for Sheriff in the Democratic Primary Election, Tuesday, June 5.

Mrs. Stalks has a distinguished public service record. As the first woman and black to hold a cabinet office in the City of Newark, she was a pioneer in the fight for racial and sexual equality. A dynamic personality, she has effectively served Newark and the county for many years.

Having worked with **Anthony Carrino** on the City Council, we respect his integrity, intelligence and straightforwardness. He has been an English teacher, guidance counsellor and football coach at Barringer High School for 16 years, where he has helped thousands of young people.

There are too many unanswered questions in the present Sheriff's Department, resulting from a 1975 Grand Jury presentment and on-going state and federal investigation. We believe that **Tony Carrino** will bring respect to the Sheriff's position and give the department the experience and professionalism it has lacked in the past.

On Tuesday, June 5 vote for **Larrie W. Stalks**, Line **A-5** for Register and **Anthony Carrino**, Line **C-4** for Sheriff.

Thank you.

Sincerely,

EARL HARRIS
PRESIDENT
